York Prestige Rooftop Dealer Contest

May 1st – September 30th, 2015

When you replace a Carrier, Bryant or ICP branded unit with a **YORK Prestige “Perfect Fit”** you will not only save by not buying a curb, but UPD will give you a check for up to \$10,000.

Earn \$75 for every Prestige unit purchased to replace a Carrier, Bryant and ICP unit.

Name tags of replaced Carrier, Bryant and ICP units need to be returned to UPD and payout will occur at the UPD dealer meeting on October 10th, 2015.

The **Top three dealers** will earn a **Bonus payout!**

(Dealer must purchase a minimum of 5 CDR units to qualify for bonus payout)

The dealer with the most purchases receives \$150 per unit (Max \$10,000)

Second place dealer earns \$125 per unit (Max \$8,250)

Third place dealer earns \$100 per unit (Max 6,600)

It's time to replace all of those rooftop units. With the perfect fit.

 **YORK**[®]
It's time to get comfortable.

Z (X,Y) E Series

A higher level of control for rooftop units.

New unit based, state-of-the-art microprocessor control with LCD display is factory configured and tested. The multi protocol capability integrates with existing building automation systems. A programmable USB interface and digital diagnostic readout make the system easy to install, set up and operate the units. The control delivers information on unit status, start-up and commissioning features, supply, return and outdoor air temperatures, and plug and play accessories.

Exactly what you need. Easy installation.

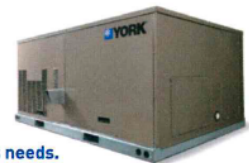

The YORK Prestige Rooftop units feature exact-fit replacement design matching the footprints of other manufacturers' units. Available in 3 - 12.5 ton models, they fit on existing curbs with no adapter. Plus, electrical and gas lines match up perfectly. And no tools are needed to convert from 2-inch to 4-inch filters in the field.

INTRODUCING A NEW LINE OF YORK® PRESTIGE™ ROOFTOP UNITS.

Now, it's easier than ever to get the comfort and energy savings your customers want without the bulky, expensive transition equipment.

- Exact-fit replacement – no need for transition curb
- Heavy-duty quality construction with innovative powder coat finish
- Advanced control technology for easy installation and set up

The best part is it can be set in about 15 minutes, making the York Prestige the perfect fit.

Call or stop by to see how perfectly the York Prestige fits your customer's needs.
